SANDBOX ROOFING LTD

COSHH Assessment

ZZ Adm Product

1.0 Product & Job

Product	ZZ Adm Product
Manufacturer / supplier	ZZ Maker
Used for	ZZ bonding
Assessed by	Demo
Date	01/11/2026
Review date	01/11/2027
Risk level	Low

2.0 Hazards

Harmful / irritant

Signal word: WARNING

Hazard statements

H315	Causes skin irritation.
H317	May cause an allergic skin reaction.

How it can harm you	Skin contact

3.0 Controls

Precautionary statements

P280	Wear protective gloves/protective clothing/eye protection/face protection.

PPE to wear

Eye Protection

Hand Protection

4.0 Emergencies

First aid	Eyes: rinse cautiously with clean water for several minutes, remove contact lenses if easy to do, keep rinsing and get medical advice if irritation persists. Skin: wash with plenty of soap and water; remove contaminated clothing. Breathed in: move to fresh air and rest; get medical advice if unwell. Swallowed: rinse mouth, do not make the person sick, get medical advice and show the container or label.

Spillage	Stop the leak if safe to do so, contain with sand or absorbent, scoop into a labelled container and stop it entering drains or watercourses.
Fire	Use extinguishing media suitable for the surrounding fire (as per the data sheet). Keep containers cool. Do not breathe smoke or fumes.

5.0 Storage & Disposal

Storage	Keep in the original container, tightly closed, in a cool, dry, well-ventilated place away from heat and ignition sources, and locked away from the public.
Disposal	Dispose of contents and containers through a licensed waste carrier in line with the data sheet. Do not pour into drains.

ISSUED BY: Demo Date: 01/11/2026

The manufacturer's Safety Data Sheet is attached at the back of this assessment.
